KEY TO TABLE AND NOTES

- Places arranged by cup wins, the trophy shared (occurred in 1907 and 1936 only) and losing finalists.
- The years shown by the 'seasons' are seasons ended (eg 2014 denotes 2013/14 season).
- The competition was not played between 1915 and 1919. It was also not played in 2021 due to a pandemic.
- An asterisk (*) against the year denotes trophy shared.
- The club name shown is the last title used in a final but *bracketed italic type* shows a different club name used for a previous cup final appearance (where applicable).
- [] denotes significant years to differentiate merged teams (eg Havant Town and Waterlooville are both in the table prior to a merger) or a club that was reformed, such as Aldershot FC and Farnborough Town FC who won the cup but folded and were replaced by new clubs.
- Note that some clubs may not have used their strongest teams in the final (eg Southampton 'A' won the cup in 1976) but it is the overall club record that is shown. (+ previously as Bournemouth & Boscombe Athletic)
